# PUBLIC HEALTH REPORTS.

## UNITED STATES.

### REQUEST FOR REPORTS ON INFLUENZA (LA GRIPPE).

Medical officers, acting assistant surgeons of the Marine-Hospital Service, secretaries of State boards of health, and other sanitarians are requested to report as soon as practicable whether influenza or la grippe is prevailing in their respective localities, giving the type of the disease, number of cases (when possible), mortality, and the treatment, sanitary and medicinal, with as full statistics as possible. The information is desired for publication in the PUBLIC HEALTH REPORTS.

In addition to present conditions, a statement is also desired as to dates (even though approximate) of the appearance of la grippe and the estimated number of cases to date of report.
